

The 3rd International Conference on  
Biomedical Engineering and Biotechnology (iCBEB2014)

---

## INVITATION

May 5, 2014

Dear \*\*\*,

The 3rd International Conference on Biomedical Engineering and Biotechnology (iCBEB2014) will be held in Beijing, China, during September 19-21. Prior to this conference, we already have had two successful conferences named iCBEB2013 and iCBEB2012.

The main objective of iCBEB2014 is to provide a comprehensive global forum for experts and participants from academia to exchange ideas and present results on ongoing research in the most state-of-the-art areas of biomedical engineering and biotechnology and their research methods and techniques.

The conference program consists of keynote speeches, workshops, oral and poster presentations and tourism. About 150 experts all around the world will participate in the conference.

We cordially invite you to participate in the conference. And we have every reason to believe that you would make the conference more successful.

We are looking forward to meeting you in Beijing, China.
